HOME DEPARTMENT.

R.C.NO.4937/B2/54, dated 29/11 November 1954.

Sir,

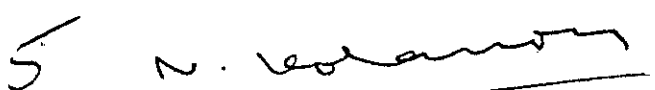

Sub: Motor Transport - South Kanara District - Purchase of
tyres, tubes and flaps - Sanction requested.

154382

I request the Government to sanction an expenditure not exceeding Rs.2400/- (Rupees two thousand and four hundred only) towards the purchase of 10 tyres, 10 tubes and 6 flaps for certain Police vehicles of South Kanara district.

2. The tyres, tubes and flaps referred to above are required by the District Superintendent of Police, South Kanara for immediate replacement. The Additional Motor Vehicle Inspector, South Kanara has recommended the condemnation of the old tyres and tubes. All the tyres proposed to be replaced have done more than the minimum mileage fixed for condemnation. The District Superintendent of Police, South Kanara has stated that the tyres have become unserviceable in the ordinary course, through proper usage or by fair wear and tear. Statements showing the mileage done by the tyres proposed to be condemned and the total cost of the tyres, tubes and flaps proposed to be purchased are enclosed. The cost of the tyres, tubes and flaps has been worked out according to the latest rate contract terms. The expenditure exceeds my powers of sanction and hence I am submitting this proposal for the sanction of the Government.

3. The expenditure will be met from the appropriation under "29. C. Police - District Executive Force - 4. District Police - 6. Other charges - Transport charges".

for Insp.-Genl.of Police.
